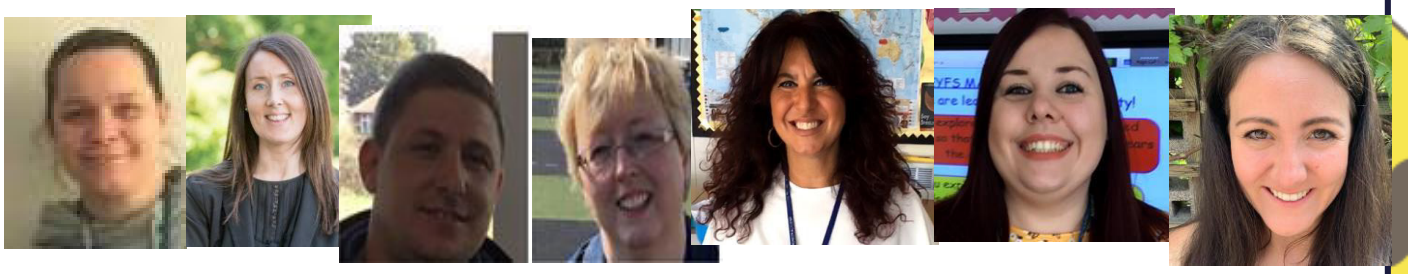
Hub week 7 has been alive with parachute games, Ooglies, a teddy bear's tea party and of course lots of what children do best – outdoor play mixed in with a dose of structured learning.

Thanks to the team: Mr Marsh, Mrs Solly, Mrs Smith, Mrs Hales, Mrs Daley, Mrs Freeman and Ms Denman



Happy VE Day!

Since 1945 the end of World War Two in Europe has been marked by Victory in Europe Day, better known as VE Day. On 8th May 1945, Prime Minister Winston Churchill made an announcement on the radio at 3pm that the war in Europe had come to an end, following Germany's surrender the day before.

This year, the 8th May 2020 will mark 75 years since the first VE Day!

We will be marking the occasion in the Hub, how will you celebrate?

Our Hub children have been Ooglie mad and have created their own Ooglies to have fun with: https://www.bbc.co.uk/cbbc/shows/ooglies

Why not try making your own? You could create a story with them or read to them, they can interact and have conversations?

Thanks to Burnt Oak's partnership with Sicup Partners, they treated the staff and children in the Hub to a locked-down afternoon party, complete with beautifully decorate cakes, two brand new tea sets, a pamper pod for the staff with hand creams and sweeties as well as face masks.

To top it off, Oz's Ice Cream van arrived just before 3pm to give us another treat of ice cream.
A fantastic start to the week.

The tables were turned this week when the children became the teachers and taught Mrs Solly and Mrs Hales a dance routine. The children commented that the staff tried really hard and were very good considering they hadn't had much practice! Keep Dancing! Thanks for the feedback children.

Video lesson starters can be found on both of our websites under the Home Learning tabs.

There are reading tasks and maths introductions and more to come so please check in weekly for our updates.

Please don't hesitate to get in touch with us if there is anything we can do to help.
