

## Chairman's Latest BID Update - June 2017

Dear Partner,

Firstly can I apologies for the Newsletter being a few days late, it's been a busy couple of weeks.

### Flowers

We are delighted to see the flowers have gone up unfortunately we were unable to get them on some lamp posts but luckily there was 5 flower towers available and these look incredible around the station road area.

One of these will be moved shortly to go outside Chunky Tea Pot and the planters down there will have fresh plants over the next week.

## Cycles

One of the next projects is to get as many cycles as we can marked. Nigel (cycle shop) will organise this with the police. Please let us know if you need a cycle one marked these will hopefully take place in September.

## Web Site

The web site is up and running, please use it as we will post offers, news and event updates on here. If anyone has any offers or news please email them to us at [info@sidcuppartners.co.uk](mailto:info@sidcuppartners.co.uk)

Please continue to revisit our website as we will provide the latest news and events we also have a huge business directory on here and I'm confident you shouldn't need to shop anywhere except SIDCUP.

## **Sidcup Fringe - Arts Festival in the manor**

The Sidcup fringe was a huge success and it was wonderful to see so many people enjoying themselves (this was of course helped by the beautiful weather) This event was attended by over 1000 people and the feedback forms indicated that people wanted events like these more often.

We had approximately 3 weeks to help organise this event so our thanks to all that helped us to achieve this.

Rose Bruford and Bird put on outstanding performances, as did all the other entertainers.

## **Litter**

We have a litter collection organised by McDonalds with the help of Sidcup Partners and the community on the 12th July if you can help please meet at McDonalds at 9:15, also if you have any litter that needs picking up please let us know and we will endeavor to do this.

## **Burglary**

Unfortunately there has been several break ins in shops in station road, my understanding is that a young man has been arrested and charged, we continue to look into the security of the BID area and will update you on this shortly.

## **Cyber Fraud Training**

This workshop took place on Tuesday 4th July 2017, we were expecting more to attend this, personally I learnt so much from it that we hope to hold another one which I would encourage as many of you to attend as possible. There was approximately 400 thousand break ins last year, but 5.6 million cyber fraud attacks!

**Please contact us with any concerns and good news stories that we can share.**

Tel: 0208 302 7711

Email: info@sidcuppartners.co.uk

Hopefully most of you will be able to take a break over the next few months so I hope you enjoy the well deserved break.

Many Thanks,  
Sue Petty
