Sidcup Fire Station

Sidcup Fire Station helped out over the three days of our Fringe Festival event in September. A fire engine was on hand for children and adults to explore and officers gave out advice as well as participating in the creation of a large community mosaic. Sidcup Partners were able to donate £500 to the Fire Fighters Charity.

Halloween Trail

This years Halloween Trail was even bigger and better than last years. We are delighted to work in partnership with St Johns Church and Waitrose to deliver this event. Families met at St Johns Church with children in their fancy dress outfits and they all had the opportunity to make paper lanterns lit with glow sticks, to make bracelets, decorate biscuits and have their face painted before collecting the trail map and a bag to go into the High Street to collect treats kindly donated by Waitrose before returning to the church for a judging of the fancy dress competition.

New Library and Cinema

Work has begun on the demolition of the former Blockbuster building. DRDH Architects were appointed at the end of last year following a competitive tendering process. Planning for the new building was approved in early October. The library

will be on the ground floor of the new building with a three screen cinema above. Construction will start in early 2020 and it is scheduled to open by the end of 2021.
