Dear Partner,

In Discussion with TFL and Local Council

As we prepare for our Armed Forces Day event, we have also been looking at other events to be held later in the year and the BID team have been in discussions with TFL and The Council to try and obtain a road closure within the High St to allow an event or market to take place and be held centrally.

Easter Extravaganza

Our Easter event proved very popular (even though the weather was not very kind to us!) The atmosphere was wonderful with street performers and various stalls. The children enjoyed the Easter trail as well as arts, crafts and face painting and we were delighted to support The Nelsons ALD Awareness Campaign in raising awareness of ALD and raising money for ALD Life.

We received very positive feedback from the event with many saying they would recommend our events to family and friends as well as returning themselves to future events.

Banners

We are sure you would have seen the Banners located in the High St depicting famous people. The BID completed the planning application as well as paying for these to be displayed. This is a project in partnership with Lamorbey and Sidcup History Society and short bios relating to the famous faces of Sidcup can be found on our website at www.sidcuppartners.co.uk

Flowers

As well as the banner displays, we are sure you have seen the newly installed flower displays and barrier baskets. It was decided after last years heat wave to plant geraniums as these require less watering – ironic considering this year's downpours!

Community Clean Up

Can you spare two hours on Monday 1st July to join a community Clean up in Sidcup?

We will meet at the Walnuts Café at 9.30 am for a complimentary coffee/tea. Volunteers will be given equipment and full instructions and the clean-up will finish at 12.00pm, children can also attend but are the responsibility of the adult attending with them.

We have had some enquiries as to why this is taking place on a Monday. We intend to complete Community Clean ups on a regular quarterly basis and hope to allocate different days in the future to accommodate as many people as possible.

London In Bloom

We have entered London in Bloom again this year. Judging will take place on Wednesday 3rd July at 9.30am.

Armed Forces Day

We are celebrating Armed Forces Day on June 29th alongside the United Services Club.

There is a free cinema showing Disney Planes and Escape to Victory with ticket reservations available through Eventbrite.

We have a selection of stalls and traditional games as well as a raffle with some fantastic prizes to be won. The United Services Club will be hosting a veteran dinner in the evening and military vehicles will be on display throughout the day.

We hope to see you there! Further details can be found on our website.

We are looking to review the town centre radio scheme as not many people seem to be using it. We are going to investigate setting up a group using mobile phones.
