London in Bloom

We are pleased to announce we have won silver this year after winning bronze last year.

Judging took place in July. We had two judges walk around Sidcup and meet our partners with the judging based on three elements

Horticulture 50%
Environment 25%
Community 25%

We are very pleased as we have only been involved over the last two years.

Poppies and Armed Forces Day Poetry

Expect to see the poppies in and around the town centre in November. The scheme has been extended this year. We have an additional 100 poppies to be installed.

We had some wonderful entries for our Armed Forces Day poetry competition and are in the process of having these published with the book soon available for purchase. We are offering the opportunity to design the front and back cover for this book. If you are interested in designing this please email us at hello@sidcuppartners.co.uk
