## Newsletter January 2022

Firstly we would like to wish you all a very Happy New Year. We have been working hard and have a lot planned for 2022. We are delighted to share with you our latest and first Newsletter of 2022.

### **Delivery Drivers**

We are working closely with businesses to try and encourage the delivery drivers in Sidcup to park/wait in a safer place during their pick up and delivery jobs. We are encouraging them to park in the underground car park by Morrisons as to not cause congestion on the pavements and roads.

### **Sidcup Library**

The relocation of the library is progressing well as well as the works at the old blockbuster site.

The Storyhouse, a new library and cinema, which will be a creative hub and meeting place for Sidcup. Construction of this four storey building is underway and will include a new Sidcup library, a three screen cinema with an additional studio, a cafe and bar, and provision of a Changing Places WC. It will also include nine residential units.

Construction works are expected to be completed in Summer 2022, with the library due to open in the autumn.
