

Worried about rising energy costs? On average businesses waste 30% of their purchased energy!

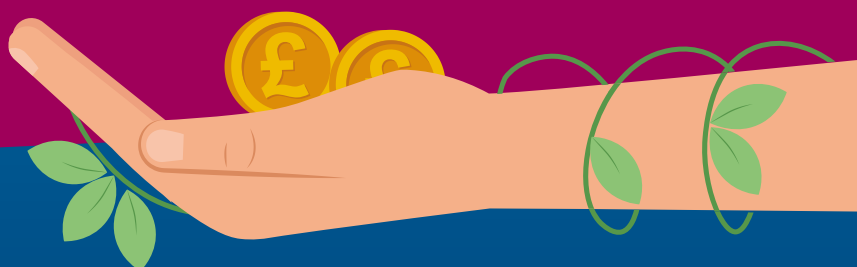

Better Futures+

Find out how you can manage your energy better and cut down costs by attending our energy event with guest speaker Richard Dormer, MD and business mentor helping SMEs meet Net Zero

**Wednesday 9 November
2022 at 5.45pm**

BBE are partnering with the Better Futures+ Programme to help 125 Bexley businesses receive free advice on how to reach net zero.

But how?

Learn – connect with like-minded businesses and a support network to discuss common challenges

Measure – you can't manage what you don't know. Measure your business footprint for free using the Climate Essentials carbon management platform

Commit – make a pledge on the SME Climate Hub to be part of the growing community of SMEs committing to net zero

Reward – complete the programme and you will receive a digital badge to use on all your communication channels
