

In Remembrance of

VE DAY

Let us honour those who fought to build a better future for us.

As part of our commemoration, rocks will be available at Best Wishes, Station Road. Feel free to pick one up, paint it with your own design, and return it to them by 8th May.

These beautifully decorated rocks will be placed in one of our flower beds, creating a lasting tribute to their sacrifice and bravery.

Join us in making this meaningful gesture.
